Sir,

Referring you to N. 1/2 Sec 28 T. 54
R. 12 W. 4. I would consider this land
valuable for its hay as the Vermilion
River runs through it and there are
meadows on both banks.

If this land has not been already
homesteaded would you please look
into the matter and if possible have
it reserved.

Mixed farming and stock raising are
the chief industries here and if the
land is all homesteaded at once it will
kill the industry. A few years time more
will enable the farmers ^{time} to raise enough to feed
their stock.

Sincerely

Wm. L. Smith
Popoville, W. Va.

Yours truly

Department of the Interior,

Ottawa, 10th February, 1906.

MEMORANDUM:-

With reference to the application of Mr. H. R. Pozer, of Pozerville, and several petitioners, to be granted free for a church and cemetery, Legal Subdivision 12 of Section 28, Township 54, Range 12, West 4th Meridian, I may say that this Legal Subdivision contains 38 acres only, but there are 2.8 acres of Legal Subdivision 13, lying south of the lake, as shown on the sketch hereunder, coloured red.

The Department now grants 10 acres only to churches. The land is clear in the records here, and this denomination does not appear to have land granted to them in the vicinity.

There has just come to hand a letter, dated 12th ultimo, from Mr. Geo. L. Smith, of Pozerville, stating that the N $\frac{1}{2}$ of Section 28 is valuable for its hay, and if not already homesteaded he asks to have the matter looked into, with the view of having it reserved as the Vermilion river runs through it, and there are meadows on both banks. Mr. Smith adds that if the hay lands are all homesteaded at once, such action will tend to kill the farming industry in the vicinity.

In view of ~~the Inspector's~~ ^{Mr. Smith's} statement, I would recommend an inspection be made of the whole Section before any further action be taken in regard to Mr. Pozer's application.

Dear Sir,
About three years ago, I wrote and asked if you would not reserve the N¹/₂-S²/₈-T¹/₅₄-R¹/₁₂-44 giving as my reason for this for it, as follows.

That the land was not suitable for farming being rough and stony and the river where there was a narrow belt of hay, and that as a rancher here the water privilege was of great importance to me, also the hay and pasture.

Your answer to my request was to the effect that you would investigate and if my representations were found to be correct, you would grant my request. In due course the homestead inspector came and looked the land over and upon his reporting favorably, you accordingly reserved his land from homestead entry.

Something over a year ago, realizing that sooner or later the land was liable to be put upon the market again, I

1731892

write and ^{asked} you if I could not purchase
this half section. Your ~~was~~ reply was in
the negative, because the Govt was not at
that time offering any land for sale.

Upon the issuing of the South African Mining
a great many were thrown upon the market.
I purchased one and I would like to place
it upon this fractional half section.

I beg leave to bring to your notice, the
following reasons why you might wish
propriety grant my request.

I came here before the settlement
started to come, to engage in Stock Raising,
thinking, as the country was somewhat
broken, and rough, and stony, that it would
be many years before the country would
be settled. The Routhenians however have
settled it, and although there is enough open
range for stock, watering places are not
plentiful, and as my stock ranges directly
north and south on both sides of the river
here you will at once understand what
the owning of this land would mean to me.
The time has come when I must enter

strengthen my position here or else prepare to move where I can secure enough land at reasonable prices to warrant my continuing in the Stock Raising Industry.

Accordingly, I have purchased this warrant good for 320 acres, which (upon your favorable consideration of my petition; that you remove the reserve, now upon this land and place it in the open market for homesteaders) I desire a fair chance to place upon this fractional N $\frac{1}{2}$ S 28 T 54 R 12 W 4.

To the best of my knowledge I have stated the facts to you exactly and honestly. You will perceive that I am not asking you for any special favor about buying or fixing things so I may be the only one who can get it, but that all I ask is for the reserve to be removed. Since it was at my request alone that it was reserved, might not it also be opened for entry at my request also.

If you have anything to ask me about this which I have omitted please do so. Waiting your consideration and reply I am,
Yours very truly,

That the land was not suitable for farming being rough and stony and the soil poor except immediately along the river where there was a narrow belt of hay, and that as a rancher here the water privilege was of great importance to me, also the hay and pasture.

Your answer to my request was to the effect that you would investigate and if my representations were found to be correct you would grant my request. I came here before the settlement started

To the best of my knowledge I have stated the facts to you exactly and honestly. You will perceive that I am not asking you for any special favour about buying or fixing things so I may be the the only one who can get it, but that all I ask is for the reserve to be removed. Since it was at my request alone that it was reserved might not it also be opened for entry at my request also.

If you have anything to ask me about this which I have omitted please do so. Failing your consideration and reply, I am,

Yours very truly,

MEMORANDUM:-

JAN.

REC-11

The N. $\frac{1}{4}$ of Section 28, Township 54, Range 12, West of the Fourth Meridian, is held under reservation for hay, exclusive of ^{S.W. 1/407} Legal Subdivision 12, which was applied for as a free grant for a church and cemetery, on a report from Mr. Homestead Inspector White, such report being dated the 20th August, 1906. The Inspector's report was called for owing to a statement made by Mr. Geo. L. Smith, of Pozerville, that if the reservation was not made the farming and stock raising operations in the vicinity would be prejudicially affected.

The Agent subsequently submitted a report from Mr. Homestead Inspector Cunningham, in which the latter stated that in his opinion the N.W. $\frac{1}{4}$ of the Section should be thrown open for entry, as there was only sufficient hay on it for forty or fifty head of cattle.

The question arose, therefore, as to whether this quarter section, exclusive of Legal Subdivision 12, should be made available for entry as suggested, the reservation for hay to be operative only in so far as the N.E. $\frac{1}{4}$ was concerned.

You instructed that a report be obtained from a Homestead Inspector as to the number of hay permits covering the N.W. $\frac{1}{4}$ which were issued in 1907, and the Agent having reported that only one permit for 45 tons had been issued, you were directed that the reservation be continued.

Mr. Smith

J.W. Greenway, Esq.,

Commissioner of Dominion Lands.

Mr. Smith now asks, for the reasons set forth in his letter of the 14th ultimo, a typewritten copy of which I annex hereto, for your perusal, that the reservation be removed.

It will be observed that Mr. Smith states that "Since it was ~~at~~ at my request alone that it was reserved, might not it also be opened for entry at my request also?"

Sir:-

With reference to Head Office letter of the 18th of June 1908, File 10100-A, I beg to enclose herewith translation of a letter received from Mr. Andrew Macdonald in connection with the report to the Inspector of Crown Lands, dated 1st June 1908, in which Mr. Macdonald, in reply to a letter of the 18th of June 1908, states that he has no objection to the proposed sale of the land.

Very respectfully,

The Secretary,

Ref. 2427550

The SW 1/4 of the ~~lot~~ of L.S. 12 of 28-54-12 W. 4 has been reserved since July 1908 for church and cemetery purposes, at the request of Ephraim Perich, Minister, + Elko Burk + John Saldan, trustees of the Independent Greek Church at Rogersville, Alta. The patent fee has been paid.

Wasyf Kriwczuk + Nikolaj Niki. foruk, the present trustees of the Congregation, now represent that being ^{practicable} to build a church they would however like to keep this land for burial grounds.

If this request could be granted they would like to change the name of the trustees from "the Independent Greek Church" to the Russian Christian Organization.

While I do not see any objection to the grant in question being made for cemetery purposes only, I think the Trustees should ^{submit} be requested to furnish evidence of their incorporation as to a Cemetery Company.

They could also be offered, ^{as an alternative} one year's extension to build a church, as they express their intention of building later on.

LAND PATENTS BRANCH,

Ref. 137306-A.

Ottawa, 23rd January, 1912.

Memorandum:

Re the 10 acres of land comprised in the south-west corner of the T.W. 23-54-12, T.4th N.

By the Departmental letter of the 1st February, 1907, the Reverend Ephraim Parich was advised that the application from the Independent Greek Church, for the above parcel for church and cemetery purposes, had been approved.

As stated in Mr. Loxieux' memorandum underneath, dated the 4th July last, the trustees of the church have represented to the Department that they were unable to build a church and would like to secure this land for cemetery purposes. They were advised in the Departmental letter of the 15th July last that, if the land was required for cemetery purposes only, it would be necessary to furnish evidence of the incorporation of the Cemetery Company.

In a letter underneath, dated the 17th ultimo, from the Kanaka Cemetery Company, enclosing evidence of incorporation of that body, the Department is informed that the area applied for has been used solely for interment purposes, the church building having been erected "on the other place, which was more centrally located." It is further represented that the ten acres have been enclosed by a barbed wire fence, valued at \$10.00; also that there are ten bodies buried therein.

The usual patent fee of \$10.00 has been paid in this case.

In view of the Deputy Minister's recent ruling, to the effect that cemetery grants are to be made only in the

name of the Municipality affected, I had to enquire what action

OFFICE OF
THE DEPUTY MINISTER OF THE INTERIOR

Ottawa, 30th December, 1912.

MEMORANDUM,-

I beg to submit, herewith, an application on behalf of the Leitchville Methodist Mission Field for a grant of two acres for cemetery purposes included in the pre-emption entry of Mr. John George. Mr. George is favourable to the grant, but in a somewhat similar case a few days ago you issued instructions that the grant should be made to the municipality. I would be glad to know whether this ruling is to govern all similar cases in future. I may point out that we receive numerous applications from religious bodies and corporations for cemetery sites, but, if it is your wish that no grants of this kind should be made in future, except to municipalities who may apply for the same, I will issue general instructions to that effect.

Mr. Cory.

O.K. in this case. All such to be referred to Minister for approval.

(SGR) J.C.M.

Respectfully submitted,

(SGR) W. W. Cory,

Deputy Minister.

DOMESTIC AND

For NW 28-54-12-4 containing about 104 acres
on which fraction I have squatted since
June 1909. The land is low, marshy and
there is only about 20 acres available for
cultivation but even this area is covered
with boulders. I have done following
improvements thereon: In 1910 I have
broken 10 acres and fenced whole
quarter with barbed wire fence; in 1912
I have broken 3 acres and built a house
thereon - value about \$500.

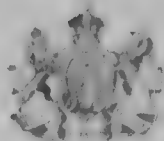

While I am living with my
father on NW 16-54-12-4.
I have satisfied the department
concerning the intent to be fulfilled on
this homestead. I can obtain the
leave of absence for 8 months as I intend
to take a course of study in Regina
Training School. I can absent myself
for the period of 6 months without interfering
with the homestead duties but I would not
finish my course and it would not do
any good for my progress.
Please inform me whether I will
be permitted to do so without leaving
my homestead.

Dear Sir:

At the beginning of this month
I'd receive a title for fraction of 1.28-57.
12.14.00. which covers only 12.3 of acres
on south side of river. This clearly shows
that the fraction consisting of 26 acres on
north side of the river is not granted to
me, for which I'd been paying the all-taxes
from the year 1897 till now. So, now
when that the river is 26 acres to add to
my homestead on account that no body
that's required for and the taxes that
I'd paid for, hardly can't be recovered.
Hoping to hear from the Department.

Yours very truly

I beg to acknowledge the receipt of your letter of the 8th instant, respecting your desire to receive title for the portion of the above mentioned quarter section lying north of lake No. 3 and comprising 36.40 acres as you state you have been paying taxes thereon from the year 1909 and that it is not required by anyone else. In this connection, I may say that when you obtained your homestead entry on this quarter section on the 16th of February, 1912, it was clearly set forth in your entry papers that your entry was confined to the portion south of the lake or river and, moreover, you were more definitely advised to that effect in subsequent correspondence from the Department of the 4th March, 1913. I regret, therefore, that your request to have this portion included in your title cannot be considered.

Sirs,

Will you please forward me information concerning 30 odd acres of NE corner of the NE 1/4 of Sec. 28, Township 34, West of the 4th Meridian. Before about 1911 my father now deceased, owned the NE 1/4 of Sec. 28, Tp. 34, W. of 4th M. There is a lake of the Verillion River on the said 1/4 of land. Mr. Irish of St. Michael, Alberta bought the south part of the said land from my father. While my father was sick in the hospital in the month of May, 1940, A.D. he spoke to me and said he would sign over his property to me. (I am now a private soldier in the Canadian Army in England).

While he spoke to me he said something about the said land not belonging to him, that he was having the use of it by paying the taxes on it.

Will you please inform me of the ownership of the said land.

Yours truly,

Dear Sir,

The information with regard to my application for a grant of land for church and college reached me to day (14th of your file is 114012). For more explicit statement I beg to add:

A grant of church land in the section applied for is at present of secondary import. Though I am engaged in getting desirable sites for the mission now I must not neglect to make it possible to start for the mission at the first opportunity of not hindered by the Board in the A. L. O. I will feel it my duty to only to be served by home students.

But I am very much interested in the grant for the grant is the first of the grant of the property of the A. L. O. I will feel it my duty to only to be served by home students.

The following paper will contain a full account of the history which will, though the Manitoba cases and prospective Synod of Manitoba under the auspices of the Roman Catholic Church in U. S. to be distinguished from the Catholic Church of America since the church of the A. L. O. has declined to create a Board of Education its constitutionally required right of establishing a Board of Education is present officers of Manitoba (assist soon forming into a Board of the constitutionally required same classes) are Rev. C. Hoffmann of Brandon Sask. and Rev. Ch. Steinmann, 391 Main St. the Principals, moderator and secretary respectively with whom I cooperate as Missionary for Canada, being appointed by the Board of Home Missions which jointly carries on the work of the two western

German Synods of the Ref Church west of Pittsburg to California.
 Of this Board Rev. C. Hassel Lafayette is the Chairman.
 Their aim establishing a system of education is under the auspices
 of the Church at large as soon as the preliminaries are submitted,
 to and receive the sanction of Canada Synod now in the process
 of formation.

The college to be founded, however, will be undenominational in its character; the name of it, *Kala Bazar*, shall stand for an *institution of profound (not so much modern) history* - *ethical world* theory, upon *Christian* *humanistic* upon *various* grounds. Hence, the connection with the Church is to the promoters of the college of lesser import than *its organic connection* with the *Universally* of *India* now being created by the provincial parliament, going far in some *higher* standard of education, than the present methods in the *V. S.* warrant in their arrangements of the courses of studies. And the promoters of this college have in their mind uppermost a *training school of Applied Sciences* & of *theoretical* *crystal* *for* *teaching* what must stand alone with our age, though perhaps defying the materialistic tendency of the "Zeitgeist." In many ways the applicability of them on themselves *they* *experience* *long* *for* *instance* *with* *ethics*, *if* *met* *through* *polytech* *ness* *it* *would* *nearly* *fall* *in* *line* *with* *all* *the* *rest* *of* *education*. *And* *met* *et* *logical* *considerations* *of* *the* *future* *with* *all* *and* *practical* *status* *of* *the* *modern* *human* *connected* *to* *the* *location* *of* *this* *department* *of* *the* *college* *provided* *the* *Government* *would* *dedicate* *the* *location* *in* *question* *for* *the* *purposes* *of* *the* *institution* *would* *be* *unique* *at* *the* *northern* *extremity* *of* *the* *arc* *extending* *up* *to* *that* *region* *from* *the* *southern* *gulf*, *in* *the* *angle* *formed* *by* *the* *northern* *isotherms* *influenced* *by* *the* *stern* *influences* *of* *the* *West* *and* *the* *eastern* *climatic* *conditions* *of* *Andree Bay*. These circumstances will make the high cone upon *Foot* *6* *of* *48* *N. 8* *W.* *in* *the* *middle* *of* *the* *fish* *baton*. *Ed* *montan* *Cave* *and* *near* *the* *northern* *watershed*, *a* *capital* *point* *for* *met* *et* *logical* *observations* *very* *useful* *to* *farming* *interests* *and* *almost* *of* *no* *use* *to* *the* *homesteader*. I have acquaintances in the States who, in the interest of science, deeply feel the defect in the chain of *met* *et* *logical* *observations* in our high latitudes and who would rather largely contribute to progressive climatology than bother about the marine interest in the western opening among drifting polar ice fields.

Hence my great desire to induce our Government to grant
to the Trustees of Kala Tegen College the coveted Section of
land mentioned, and are presently applying for the charter.
They are a set of men of intelligence and thirsting for knowledge and culture.
I hope to have sufficiently elucidated the purpose of my mission and
the cooperation of the Board of Regents, reference to which
is made under my name. The endorsement of the College, for their
propositions, appears to me the guarantee of the Section of land,
that is of the bill which awaits its threatening.

Now my dear Sir I trust your goodness to forward my
explanations from which favorable results are expected and
on which all possible aid can be given.

Yours

Very Respectfully

The Hon. L. G. Harrison
Dominion Land Agent,

My dear Sir: In re application for Sect 5. Tps 48 R. 8 for
College purposes. I happened to meet Rev Graesser, of Fort Sas-
katchewan in the Land Office. At the time of application he
was as all the other ministers of our common Church in C. W.
Canada ^{were} enthusiastic about the founding ^(Theological) a Seminary com-
bined with general schools of German and Canadian education.
I had visited all the charges and missions as I was and still
am, commissioned for that work by the Board of Home Missions
of the two western synods of the Reformed Church in the U. S.
Among the charges that I had to report as able of becoming
self-supporting was the charge of Rev Graesser. I found that
he, in ignoble manner, put in objections with the Land Office
and Dept of the Interior in Ottawa - and I detected an
him an unemus, that he could no longer conceal. He did
only argue, after he found that I did not follow a selfish
scheme, but that there existed a Board of members of our
church, for the membership of which he, Rev Graesser, was not
qualified - that I worked 30 years ahead, to which I
could only answer that my efforts were for the century.

He was evidently disappointed that I had found out the intrigue
which I easily overcome in my Board and Church and for the
counteraction of which I can only submit to you this solemn
declaration.

The members of the Board, are engaged to apply for a
charter from Alberta Parliament of which one of the
founders and promoters is the Hon. A. F. Rosenroll M. P.

I desire to prosper the educational work by all
righteous means and petition for a kind reconsideration
and an early decision as to our application for the
land which, as Rev. General himself admits is to stony
for agricultural pursuits.

Sir:

Re H. O. letter of the 21st of Feb. last File No. 134018A,
I beg to enclose herewith a further communication from Dr. A. E. Schade, who desires to acquire Section 6-48-8-W41 for the purpose of building a ^{college} ~~settling~~ thereon. I beg to say in this connection, that the S. E.-6-48-8-W41 was homesteaded by Mr. Geo. A. Ambler on the 17th day of March last and is therefore not ~~highly~~ available.

There appears to be some friction between Rev. Mr. Graesser of Fort Saskatchewan and Dr. Schade in this matter. I understand that the land is not good agricultural land at this point. They appear to be jealous of each others authority. I am sending a copy of this letter to the Hon. Frank Oliver for his information.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows :—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner herebefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Dear Sir

As I hold the N. E. 1/4 of Sec 12 T. 30 R. 22
as my homestead 4 and the S. E. 1/4 of
S. 12 T. 30. R. 22 as my Soldiers Grant 4
West of the 4th Mer. and as I understand
the other 1/2 of the same Section is open
for leasing will you kindly let me
know if I can have the above mentioned
land to lease. My neighbours put their
fences there and they have broken down
31 1/2 acres about all the tillable land
on the half Section. I am a returned Soldier
and if it is your pleasure to let me
have the above mentioned land to lease
the section could be fenced in together
The land is too rough for cultivation
I am living with my father on the
land adjoining my homestead 4 and we
run over 50 head of stock

WHL Sec. 10-57-29-W.4th V.

Dear Sirs:

In reply to your letter of the 10th December,
your file Misc. W., I may say that the above described
land was patented in the name of Antoni Wenslow.

At the time he applied for homestead patent for
this land, Mr. Wenslow furnished a sworn statement dated
the 15th August, 1905, in which he declared that he was a
widower. His own age he gave at that time as 48 years.

A certificate of naturalization was issued in
the name of Antoni Wenzell in the Supreme Court of the
Northwest Territories, Judicial District of Northern Alberta,
on the 6th September, 1905. On the 22nd December, 1905,
Antoni Wenslow filed a sworn statement to the effect that
Antoni Wenzell and Antoni Wenslow were one and the same person.

Oscar C. Foster, Esq.,
233 Abbott Street,
VANCOUVER, B.C.

. 30th November, 1948.

Dear Sir:-

I have received your letter of November 22nd, asking what statement your mother made regarding your age when she filed on her homestead, the N.W. 1/4 of 34-58-2-W.5th.

Mrs. Foster does not appear to have mentioned the names and ages of her family in any of her letters to the Department. When she applied for patent she stated that her family consisted of herself and six children.

Oscar Conrad Foster, when he applied for homestead patent for the S.W. 1/4 of 34-58-2-W.5th, furnished a sworn statement dated November 6th, 1912, in which he declared that he was thirty-four years of age.

If you are the Mr. Foster mentioned above, possibly the information given will serve your purpose.

Yours very truly,

G. B. B. Sinclair,
Chief, Lands Division.

Oscar C. Foster, Esq.,

VANCOUVER, B.C.

Dear Sir:-

I have received your letter of November 22nd, asking what statement your mother made regarding your age when she filed on her homestead, the S.W. 1/4 of 34-56-2-1.5th.

Mrs. Foster does not appear to have mentioned the names and ages of her family in any of her letters to the Department. When she applied for patent she stated that her family consisted of herself and six children.

Oscar Conrad Foster, when he applied for homestead patent for the S.W. 1/4 of 34-56-2-1.5th, furnished a sworn statement dated November 6th, 1912, in which he declared that he was thirty-four years of age.

If you are the Mr. Foster mentioned above, possibly the information given will serve your purpose.

Yours very truly,

G. E. B. Sinclair,

The settler has obtained advances from the Government of this territory as follows: land improvements, \$790.00; farm tools, \$150+70; permanent improvements, \$150+00. In addition he has used for the stock and equipment, \$80.00. He has no other land security except his own credit.

The Board is informed that the settler has been
in contact with the Secretary of the C. & G.
in connection with the settlement of the
settler's estate. The Board has no other information
in this case.

The Board is informed that the settler has been
admitted to receive letters from the Department of the
Interior for the settlement of the land.

The regulations approved by the Governor in Council on the 24th June, 1821, Article the 11th, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the ungranted land until the settler's indebtedness has been repaid. The regulations also enables the settler to negotiate a sale of the land with the view to repaying the loan he has contracted from the Board.

The settler has requested that title to the land be transferred to him on title to share the proceeds. There is nothing in the regulations which would prevent the settler from doing so as he is entitled to the land as security for the loan and as he is entitled to the proceeds of the sale of the land.

Under the provisions of the relevant referred
a sale should be desired to be at a later date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of his Majesty in the U.S.A. 24-35-1-7-43. W. be vested in the Soldier Settlement Board.

et hereto.

Chairman.

Mr Charles Stewart,
Minister of the Interior,
Ottawa.

When I was returning, and the 1st of August, 1911, from your country, I was thrown off of the train and seriously hurt, breaking three ribs and bursting the lung of my right ear, and was so seriously injured, that I was under the doctor's care for four months, and have not been able to do practically any work since. But I have been troubled by me against the railroad for damages for \$1,000 and suit is still pending. I was all ready to come there in May, but the railroad contacted the judge and I learned, therefore I am not able to do at present until suit is disposed of, which will be in November. I will then proceed as far late as July, my wife and children were then, but I will bring them as far as the suit as you like and I hope you will hold this claim for me. I am going with a large load of my own and several families will come with me. I am getting ready to go and am advertising your country free of charge, and it has caused a great deal of excitement in this part of the country. I have distributed over a 100 of your tracts given me by your agent Mr. J. M. Graford, Kansas City, Mo. to those that might be interested, at our fairs, and elsewhere, and also among the people the train and coal brought that I saw in your country when I was at there, which has made a good impression of your country with a large number of people here, and many are willing to come in the spring. I could be very thankful if you could hold this claim for me, as it is near town and near the railroad, and better than anywhere else I could get in the spring. Let me hear from you whether you can hold for me or not, as I am not able to come at present.

The application for patent which was sent
by the Agent at Calgary to Homestead Inspector Tennyson

two disinterested witnesses and a declaration from Mr.
Bessoby as to the correct spelling of his name, has not
as yet been received in the Department.

2. 1 of 9-20-3-5th M.
Harry Bescoby.
South African Scrip.

Referring to your reference 18353,
I beg to submit the following in response to
your request for a report in this case:-

Mr. Harry Bescoby secured entry
for this half-section as a South African
homestead as the substitute of the original
grantee.

Mr. Bescoby apparently made his
application for patent some time last summer
as the Agent instructed a Homestead Inspector
on the 18th August last to secure the evidence
of two corroborating witnesses and also obtain
from Mr. Bescoby a declaration as to the correct
spelling of his full name.

According to Mr. Morphy's letter to
Mr. Mitchell, this settler wants to prove up
with stock, but there is no indication of this
on the file, and so far as the papers show, the
Inspector has not been instructed to furnish the
report which is required in all cases where per-
mission to substitute stock is applied for.

The Agent might be asked to furnish
a full report regarding the present standing
of the application for patent, and if he has not
received it from the Inspector he might ask the
latter to submit with the application the usual
report showing all duties performed, the character
of the land and the area fit for the plough, and
stating whether, in his opinion, stock should be
allowed instead of cultivation.

Application for patent,
Mr. Harry Rescob, Esq.,
For his Acres location,
T. 1 of 3-20-3, West 5th Meridian.

On the 10th of December, last, the Assistant
Deputy Minister instructed that when the Inspector's
report was received to send it to his office.

Mr. Rescob made an application for patent on
the 1st of October, 1914, and claims sufficient residence
duties but no cultivation. He claimed 100 head of stock
from 1908, to 1914, when he applied for patent. He claims
for the accommodation of stock on the South East 1/4 of
Section 3, Township 20, Range 3, West of the 5th
Meridian, and the half section fenced 215.00

In referring to the application for patent for
Mr. Rescob's homestead, the South East 1/4 of Section 4,
Township 20, Range 3, West of the 5th Meridian, which
was made on the 11th of January, 1914, he stated,

"I have lived continuously on this land for the
past twenty five years ago."

As you will observe in the application for patent
for the Acres location, the East half of Section 9,
he claims residence on the Acres from 1st of July, 1911,
to the 31st of Dec, 1914.

It would therefore appear that Mr. Rescob can
only claim in terms of residence on the Acres location,
the East half of Section 9, and has no accommodation for stock
on the East half of Section 9.

The Homestead Inspector in his report of the 15th
altim corroborates the statement of the applicant as to
the stock and fencing and also as to the accommodation for
stock on the South East 1/4 of Section 3, Township 20, Range 3,
West of the 5th Meridian.

The Inspector in his general remarks states the
half section is situated upon a hill and is very rough
and covered with brush, and is only fit for grazing purposes.
That Mr. Rescob has kept about 80 head of cattle and 20
horses upon the land for summer grazing and on the S.W.

MEMORANDUM

Application for patent of
Mr. Harry Bessoby, for
his Scrip location -
E. 1 of 9-20-3-W. 5th M.

There was some difficulty in reference
to the residence claimed by this man in connection
with his homestead.

He made entry and secured patent for the
S.E. 1 of 4-20-3-W. 5th M., claiming residence thereon.
It turned out afterwards that he had been living
on the S.W. 1 of 3, and he was required to re-convey
his patented homestead to the Crown, after which he
was given free patent for the S.W. 1 of 3, where he
had been living, and was allowed to buy his former
homestead at \$5.00 per acre.

In his original application for patent he
claims continuous residence on the S.E. 1 of 4, up to
the date of his application for patent, 11th January,
1912.

Now he claims residence on his Scrip
location from July, 1911, to June, 1912.

Although this is confirmed by the Inspec-
tor in his last report, I do not think the Department
should allow the entrant to count residence on his
Scrip for the time during which he had previously
sworn he was residing on his homestead.

If you approve of this view, Mr. Bessoby
will be called on to perform another term of six
months residence on the Scrip.

The question also arises about buildings
for stock. Apparently these should be on the Scrip
location. At present his only accommodation for
stock is found on the S.W. 1 of 3, patented to him.

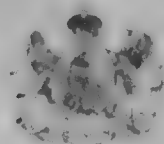

Respectfully submitted,

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Sir,

I beg to acknowledge the receipt of your letter of the 29th of January last, your reference 54067, enclosing the report of Mr. Homestead Inspector Tempany, in connection with the East half of Section 9, Township 20, Range 3, West 5th Meridian. I would point out that in the above application Mr. Pescoby claims residence on the above land from the 1st of July 1911, to the 30th of June, 1912. On referring to his application for patent for the South East $\frac{1}{4}$ of Section 4, Township 20, Range 3, West 5th Meridian, he claimed continuous residence on the S.E. $\frac{1}{4}$ of 4, up to the date of the application for patent the 11th of January, 1912, and in view of this statement the residence claimed by him in his application for patent for his scrip location the E $\frac{1}{2}$ of Section 9, from the 1st of July to the 31st of December, 1911, cannot be counted to his advantage, and as he has performed two terms of residence in the years 1912 and 1913, it will be necessary for him to put in a further period of six months' residence on the E $\frac{1}{2}$ of 9 before he can successfully apply for patent.

I would also point out that as Mr. Pescoby is proving up under the stock regulations, it will be necessary for him to have accommodation for the stock on the E $\frac{1}{2}$ of 9. Be good enough to advise Mr. Pescoby accordingly. The application for patent is returned herewith.

Your obedient servant,

Agent of Dominion Lands,

Dear Mr. Morphy,-

South African Series-
Harry Bessoby, Listowel,
Ontario.
Reference-136200 A.

I have your letter of the
26th instant on behalf of Mr. Bessoby, who
wants to secure the patent for this half
section.

Encl.

I see by the official papers
that this case has recently come up for con-
sideration in the Department, and it has been
decided that in order to secure patent it will
be necessary for Mr. Bessoby to perform another
term of six months residence on the land, and
also erect thereon the necessary accommodation
for sixteen head of stock.

In view of a recent report
by a Homestead Inspector, from which it appears
that the land is unfit for cultivation, it has
been decided to permit him to prove up with
stock, and you may wish to forward him the
enclosed "Handbook". The stock conditions are
outlined on Pages 15, 16 and 17.

The application for patent
was returned to our Agent at Calgary on the 26th
instant, and he has no doubt already notified

M. B. Morphy, Esq., M.P.,
House of Commons,
Ottawa.

-Ar.-

Mr. Bescoby what he will have to do in order to secure patent.

In his original application for patent he claimed continuous residence on the South East quarter of Section 4 up to the date of his application for patent - 11th January, 1912.

He now claims residence on his scrip location from July, 1911, to June, 1912. but the Department has decided that Mr. Bescoby could not be allowed to count residence on his scrip for time during which he had previously sworn he was residing on his homestead.

Yours sincerely,

Private Secretary.

I beg to acknowledge the receipt of your letter of the 15th ultimo, in reference to your Volunteer Scrip entry for the above described land, and to say that your case has been given full consideration by the Department, and it has been decided, as you have been notified by the Agent of Dominion Lands at Calgary, that it would be necessary for you to put in a further period of six months residence before you could successfully apply for patent. The Homestead Inspector in his report does not give you credit for any residence between 1st of August, 1913, and the 26th of January, 1918. Sir,

Re. 9-20-3-15th Meridian.

Referring to the departmental letter of
the 11th May, 1918 wherein you were informed
that the land in question was not to be a further
period of all the land in the above land
before you could successfully apply for patent, I
am to inform you that since that letter was written
the land in question has been surveyed and in April
1919 was found to be a residence on
the 9-20-3-15th Meridian, no residence
on the 9-20-3-15th Meridian, also a report
has been received from the Survey Department
which corroborates your statement as to the land in
your application.

Yours faithfully,
Harry J. ...

Minister.

Ottawa,

In view of this later evidence it will be necessary for you to comply with the terms of your entry and put in six months residence in each of three years on the E. $\frac{1}{2}$ of 9-20-3-4.5th Meridian before you can successfully apply for patent.

As Cancellation proceedings are outstanding against your entry you are given thirty days from this date to advise the Department of your intentions in the matter.

I beg to acknowledge the receipt of your letter of the 1st instant, informing the Department that you will be unable, owing to ill health, to resume the performance of the unfulfilled settlement duties in connection with your South African Land Grant, above mentioned, and that in the Department is not prepared to show you further consideration it will be necessary for you to abandon the land.

It really has to be, that if you are

1. I am the holder of the above land by virtue of certain South-African scrip in the hands of the Government.
2. I was the owner of a parcel of land about one-half mile from the above lot and owing to ill health was forced to sell the same and return to Ontario.

Early in 1915 it appears that Mr. Bescohy sold out his interests in the neighborhood of the Serip Grant and moved to Listowel, Ontario, where he is now living.

Cancellation proceedings were instituted on behalf of Messrs. C. E. Sage and A. E. Sage on the 6th April, 1918, and the usual notice was sent to Mr. Bescohy.

Memorandum:

Mr. Gibson.

Case of J. Rescob.

This matter was reported on 11th Jan. by memo. of the Gen. Inspect. Undersecretary. The Minister's office instructed that the Agent should be wired to withhold the land from disposition, Mr. Rescob's entry having been cancelled on the 12th of December. It was pointed out in my memo. that possibly re-entry had already been granted.

The Agent now reports that entry has been granted for the South East quarter. The North East quarter is being held pending further instructions.

accepting the offer if nothing better could be done.

On the 9th of December you wrote Mr. Morphy that you had discussed the matter with the Minister and asking him to submit an argument of the reasons why Mr. Bescoby could not return to the land, suggesting that a declaration be submitted from him as to his health and an offer to pay \$1.00 per acre.

In the meantime, on the official file, the Agent of Dominion Lands at Calgary wrote to the Department enquiring what was to be done with regard to the cancellation proceedings outstanding. The applicants for cancellation, Messrs. Edgar and Clarence Sage, had also been writing, and the case was submitted officially on the 12th December. On this submission the Department, not having notice on the file of the correspondence with Mr. Morphy, cancelled the entry and instructions were issued on the 16th December. A declaration from Mr. Bescoby and offer to purchase was not attached to the official file until the 8th January, three days after the Agent had granted entry for one of the quarter sections.

As intimated by you, the general winter protection came into force on the 15th December, one day before the instructions were issued to the Agent to carry out cancellation. I might say that the Circular of the 17th November, authorizing the general winter protection states that it will not apply in -

"Cases where Head Office specially orders cancellation for misrepresentation or fraud, for neglect of duties extending over a long time, or for some other exceptional reason."

If it is ruled that the entry should not have been cancelled this would involve the cancellation of a new entry granted by the Agent on the 8th January, to the applicant for cancellation and, undoubtedly, there will be a very vigorous protest against such action. It seems to me that it would be better to allow the existing entry for the S.F. 1/4 to remain undisturbed and to take some other means of dealing with Mr. Bescoby, that is, power might be taken by Order-in-Council to sell him land elsewhere at a reduced rate, if it is ruled he is entitled to special consideration.

Cancelled Scrip Grant - H. Bescoby.

SE¹ re-entered 5th January, 1920.
NE¹ still vacant.

.....

In response to your request for a report as to the reasons for cancelling Mr. Bescoby's entry, I beg to say that a full statement will be found on the official file, dated the 8th instant, marked by slip. This statement outlines the action taken in the case and shows that Mr. Bescoby has never performed any actual residence on this Scrip Grant, as required by the regulations and has been living in Ontario since 1915.

The papers show that Mr. Bescoby has had notice from time to time of the necessity of going on with the duties if he desired to secure a free patent for the land.

In November, last, Mr. W. B. Morphy, M.P., who had been in correspondence with your office on behalf of Mr. Bescoby, was informed that in August, 1915, Mr. Bescoby had represented that he was a very sick man and had been told that if he would file a medical certificate, showing that he was unable to do residence an Order-in-Council might be issued for, relieving him of residence duties. You pointed out to Mr. Morphy that Mr. Bescoby had never replied to that letter and a suggestion was made to find out from him if he would be willing to buy the land at \$1.00 per acre. At the close of your letter you said "I am making this suggestion tentatively of course, but if Mr. Bescoby would write to the Department making such a suggestion it could be taken up with the Department and a definite decision arrived at without any further delay."

Mr. Morphy replied on the 4th December, objecting to the payment of \$1.00 per acre and

E. 2--20--1 With M.

I beg to draw your attention to the question of the cancelled Volunteer Bounty Land Grant of Mr. Harry Bescohy. The circumstances in connection with this case are set forth in the Departmental report of the 8th ultimo, and my memorandum addressed to you on the 19th.

The entry of C.E. Sage for the South East quarter was made on the 18th of January, 1920, and a decision is necessary as to whether this entry is to be cancelled for the purpose of restoring Mr. Bescohy.

It would appear that on the merits of the case, the cancellation of Mr. Bescohy's entry was warranted on the stated facts as disclosed by the Departmental file when the cancellation order was made on the 16th December last. The unfortunate complication which has arisen, because of the fact that your office was in correspondence with Mr. Morphy, M.P., undoubtedly renders the situation a difficult one.

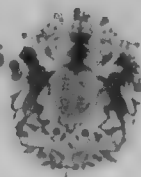

In order to restore Mr. Bescohy, it will be necessary to cancel Sage, and the point which arises in mind is whether or not legal ground can be found for the cancellation of his entry.

It is evident that some special action will have to be taken to find suitable land elsewhere either for Bescohy or Sage. It will be a difficult matter to get suitable land for either of these parties, as the District is an old settled part of the country. I would renew the suggestion in my memo of the 19th ult., that the entry of Sage be allowed to stand and that some arrangement might be made with Mr. Bescohy to accept other land, to be selected by him or on his behalf. This will, no doubt, require an Order-in-Council.

THE DEPUTY MINISTER OF THE INTERIOR

21st February, 1920.

Memorandum:

Mr. Greenway.

B.4 9-20-3 W.5th M.
Clarence Edgar Sage.
Harry Bescoby.

The following instructions have been received from the Minister's office:-

"It is regrettable that the entry of Bescoby was cancelled, and entry granted to Sage for the south-east quarter of this section. Representations had been made to the Minister's office that Mr. Bescoby was an old man; that he was unable to complete the duties on account of his age, and a Medical Certificate was being forwarded to verify the statements made as to the condition of Bescoby's health. It would seem advisable, therefore, to have the entry of Mr. Sage cancelled, but the Agent should be instructed to explain the situation fully to Mr. Sage, and he should also be advised that every effort should be made to assist Mr. Sage in securing entry for another quarter-section. It should be pointed out, if necessary, to Mr. Sage that the entry of Bescoby was cancelled after the general protection during the winter months was in force."

I would be glad if you would have an official letter prepared and submitted here before it is mailed.

[Signature]
Acting Deputy Minister.

I am also to request you to reserve the South East $\frac{1}{4}$ of Section 20, Township 21, Range 3, West of the 5th Meridian, until further instructed, as it will be necessary to obtain the permission of the Soldier Settlement Board to Mr. Sage's being allowed to take this land as a homestead in the event of his not being a returned soldier.

Your obedient servant,

Assistant Secretary.

Cancelled S. A. V. Grant of Harry Bescoby.

I beg to inform you that in view of representations made to the Department that Mr. Bescoby is a very old man and suffering from aortic aneurism and therefore unable to properly complete his settlement duties, it has been decided to cancel Mr. Sage's entry for the South East quarter and to restore Mr. Bescoby's entry for the half-section.

I am to ask you to explain the situation fully to Mr. Sage and advise him that every effort will be made to assist him in securing entry for another quarter-section, and I am to request you to give this matter your most careful and painstaking attention, as it is a matter of considerable importance that Mr. Sage should be given no cause for complaint regarding his treatment by the Department.

In the meantime I am to request you to reserve the under mentioned lands in order that Mr. Sage may inspect them with a view to deciding whether any of them are suitable for entry as a homestead:-

Included in soldier settlement area.

Owing to a misunderstanding, one Clarence Edgar Sage was granted homestead entry for the S. $\frac{1}{2}$ of 9-20-3-W.5th M., which was formerly part of a S.A.V. Scrip Grant held by Mr. H. Bescoby.

Under the Minister's instructions Mr. Sage's entry has been cancelled and the Scrip entry of Mr. Bescoby restored.

It is desired to assist Mr. Sage in every way possible in securing a satisfactory location elsewhere, and under these circumstances I would ask you to let me know whether your Board would have any objection to Mr. Sage making entry for one of the parcels above described provided he found the land satisfactory.

The Department has no information as to whether or not Mr. Sage enlisted, but in order to avoid delay the Department would be glad to have your authority to allow Mr. Sage the privilege of acquiring one of these parcels even if it should be later ascertained that he is a civilian.

I am however to say that every effort will be made to assist you in securing entry for another quarter, and at the present time the following lands in that vicinity are available and I am reserving them until you have had an opportunity to inspect same and advise me if you consider any of them suitable,-

Sir:-

With reference to the letter of 5th Mar. of 1912 which I have this day received from Mr. C. L. Sage in regard to securing a timber lot for him in lieu of the U.S. 10-20-3 N. 5th Mer., you will observe that I have omitted two of the quarter sections listed in your letter of the 4th ultimo, namely the U.S. 10-20-4 N. 5th Mer. and the U.S. 10-20-4 W. 5th Mer., as according to our records the first mentioned quarter is in Timber Berth No. 1117 and the latter is covered by a grazing application which was forwarded to the Department on the 8th of February.

I would also draw your attention to the fact that Mr. C. L. Sage applied to cancel the U.S. 10-20-3 N. 5th Mer. and was given a thirty days' notice to file on same, but was later requested not to file pending a decision in the case. I am to ask if similar treatment is to be accorded to him as to Mr. C. L. Sage.

I beg to acknowledge the receipt of your letter dated the 12th instant, reference 58067-95446-93150, asking whether Mr. Alger E. Sage, who applied to cancel Mr. Bescohy's entry for the North East 1/4 of Section 9, Township 20, Range 3, West of the 5th Meridian, was to be given the same privileges in connection with getting a new entry as accorded Mr. C. E. Sage, and in reply to inform you that as the person first mentioned was not actually granted a homestead entry for the quarter-section he applied for, he can only be allowed to secure a homestead entry in the same manner as any other civilian.

I may add that the Department was in error in advising you that Mr. C. E. Sage might be offered an entry for either the North East 1/4 of Section 6, or the North East 1/4 of Section 10, Township 22, Range 4, West of the 5th Meridian, and your action in withdrawing these parcels from the list of lands available for selection by Mr. Sage is approved.

Your ref. 95546.

I am in receipt of a copy of your communication of the 8th instant to Clarence Sage in connection with the land above described and enclosing Mr. Sage's letter of the 19th ultimo.

The situation might again be explained to Mr. Sage and he advised that under the circumstances it is regretted his claim to the quarter section above described cannot be considered. In connection with this case I would also refer you to Head Office letter to you of the 14th instant, which crossed yours in transmission. It is possible Mr. Sage may be able to make a suitable selection from the lands therein referred to

Memorandum

Mr. Mitchell.

C. 1 of 9 - 20 - 3. 7.5th E.
S.L.V. Scrip Grant of Harry Bescooby.
Entry granted 27th January, 1919.

On account of ill health Mr. Bescooby sold out his interests in the neighbourhood of the Scrip Grant early in the year 1915 and moved to Listowel, Ontario, where he is now living.

Up to the time of leaving the neighbourhood, Mr. Bescooby had never lived upon the Scrip Grant and had lived on land owned by him in the vicinity. Neither had any cultivation duties been performed upon the Scrip Grant nor had any improvements been made thereon excepting that it had been fenced.

Under the regulations the residence duties in connection with a S.L.V. Scrip Grant must be performed upon the land itself, residence in the vicinity not being accepted as satisfactory.

On the 26th March, 1918, Messrs. J.E. and C.E. Sage applied for the cancellation of Mr. Bescooby's entry.

Mr. Bescooby filed a defence and several letters passed between him and the Department, in which he was advised of the requirements before entry could issue in his favour.

On the 1st August, 1919, Mr. Bescooby was granted thirty days final notice within which to satisfy the Agent at Calgary by statutory declaration that he was in residence upon his Scrip Grant with the intention of completing the necessary duties.

As Mr. Bescooby failed to file the required evidence, the Agent was instructed to cancel his entry on the 16th December, 1919.

On the 12th January, 1920, the Agent granted Mr. C. E. Sage homestead entry for the S.E. 1/4.

After cancellation had been carried out advice was received from your office that Mr. Rescoby had been granted permission to purchase the land at \$1.00 per acre in lieu of the performance of further residence duties, and instructions were given that Mr. Sage's entry was to be cancelled and the entry of Mr. Rescoby restored.

This action has been taken and our Agent at Calgary has been instructed to make every effort to secure Mr. Sage a satisfactory homestead elsewhere.

We have no information as to whether Mr. Sage went into residence upon the land but a letter of protest received from him, dated the 15th ultimo, would indicate that up to that time he had not resided upon the land or made any improvements thereon. The tone of Mr. Sage's letter would indicate, however, that he intended to take possession of the quarter section.

At the same time you were requested to assist Mr. Sage in every way possible in selecting a fresh homestead and you were furnished with a list of lands from which it was thought that possibly Mr. Sage might be able to make a satisfactory selection.

Dear Sir:-

We have been consulted by Mr. Clarence E. Sage in regard to the homestead entry made by him sometime ago for the S.E. 1/4-9-20-3-Weth. As we understand it you were authorized by the Department to accept his entry for this land, the former entry having been cancelled. Our client consequently made formal entry, paid the usual fee and received his Certificate of entry under the Act. Subsequently he was advised that his entry had been cancelled. He has asked us to advise him as to the authority of the Department or the Minister to cancel entry under these circumstances and from a careful perusal of the Act we cannot find anything therein which would justify such action. He has asked us to write you for an explanation and until we are further informed in the matter we can only advise him that he is within his rights in retaining his certificate and relying thereon. Kindly let us hear from you at your earliest convenience and oblige.

Yours faithfully,

Gentleman,

S.E. 1/4 9-20-3-W. 5th M.
Part of the South African
Volunteer Bounty Grant of
Mr. Henry Bescoby.

Referring to your letter dated the 27th April last, addressed to the Agent of Dominion Lands at Calgary, with respect to the cancellation of Mr. Clarence E. Sage's entry for the above described land, I beg to inform you that it was unfortunately necessary to take the action indicated owing to the fact that Mr. Bescoby's entry had been cancelled under a misapprehension of the facts, and it was, therefore, necessary to restore the entry when the Department became aware of the error in question.

Mr. Bescoby is a very old man and is reported to be suffering from heart disease, which renders him incapable of properly completing the settlement duties in connection with his Grant, and he was, therefore, informed that in lieu of completing such duties he would be permitted to purchase the land.

The fact that this permission had been granted was overlooked when Mr. Bescoby's entry was cancelled, therefore, when the latter drew attention to this fact the Department was bound to restore the entry and to consequently cancel the entry which had been granted to Mr. Sage meantime, for the South East quarter of Section 9, Township 20, Range 3, West of the 5th Meridian.

Memorandum.

Re E. 9-20-1-With M.
South African Volunteer Corp Grant
of Mr. Harry Bessaby.
Entry granted-17th January, 1920.

I submit for consideration a letter which has been prepared to Messrs. Ballantyne & Burnet, in reply to their protest on behalf of Clarence E. Bess, whose entry for the South East quarter of Section 9 was recently cancelled.

Owing to ill health Mr. Bessaby, who is a civil servant, returned to Ontario before completing the duties in connection with the Corp Grant.

When he left the matter of the Corp Grant cancellation proceedings were instituted against his entry for the letter and on Mr. Bessaby's failure to fulfill the conditions laid down cancellation was carried out, and Mr. Clarence E. Bess, one of the applicants for cancellation, was granted re-entry for the South East quarter.

After this action had been taken information was received from the Minister's office that Mr. Bessaby had been granted permission to purchase the land in lieu of the performance of further duties.

In a memorandum dated the 11th February, 1920, the Acting Deputy Minister gave instructions that Mr. Bessaby's entry was to be cancelled and that Mr. Bessaby's entry was to be restored. Mr. Bessaby arrived.

No instructions were given as to whether Mr. Bessaby was to be advised of the fact of his cancellation or purchase the land.

Mr. Bessaby's entry was cancelled and he has been advised that every effort will be made to restore him to his former position.

Through Messrs. Ballantyne & Burnet, Mr. Bessaby has protested against the cancellation of his entry, and it is suggested that the matter be considered and action taken.

It is suggested that the time has now

arrived when Mr. Bescoby should be officially advised of the terms upon which he can obtain patent for this Scrip, and granted a limited time within which to make the necessary first payment.

It has been reported to the Department by the Municipal District of Stock Land that arrears of taxes are charged against this land, amounting to \$98.18.

Memorandum

Mr. Hume.

Re E. & 9-20-3-W. 5th M.

The above mentioned half-section was entered for by Mr. Harry Bescoby on the 27th January, 1909, as a South African Land Grant.

Cancellation proceedings were instituted against the entry on behalf of Messrs. C.E. and E.E. Sage on the 6th April, 1918, and after considerable correspondence the same was cancelled by order of the Department on the 16th December, 1919; re-entry, as a homestead, being granted for the South East quarter to Mr. Clarence E. Sage on the 12th January, 1920.

Being an old man - 76 years of age and broken in health, Mr. Bescoby made application to the Minister direct for permission to purchase the half-section at \$1.00 an acre in lieu of further residence duties and it was finally decided to cancel Mr. Sage's entry and reinstate Mr. Bescoby.

Messrs. Ballachey & Burnet, barristers of High River, Alberta, have been in communication with the Department on behalf of Mr. Sage and state that they have informed him that under and by virtue of his interim receipt he should hold the land pending a satisfactory explanation as to cause of cancellation.

The facts of the case were set out on the 12th June last in a letter addressed to the firm of lawyers in question, which letter was approved by the Minister's office and, in accordance with the suggestion of the Deputy Minister, it was decided to defer further action for a period of thirty days to enable the firm, should they so desire, on behalf of Mr. Sage to take further action, in the matter of the application of Mr. Bescoby to be permitted to purchase.

The time has now elapsed and I submit the matter for further consideration.

If it is proposed to entertain the application of Mr. Bescoby to purchase, I would suggest that the same be dealt with on the basis of a valuation to be determined by a Homestead Inspector

Cancellation proceedings were instituted
against the entry of Mr. Harry Bescoby and as no
defense was filed same was subsequently cancelled
and entry granted to Mr. Clarence E. Sage, the
applicant for cancellation.

Upon representations made to the Depart-
ment by Mr. Bescoby that he was too old to complete
the required duties and that he desired to retain
this land and pay for same at the rate of \$1.00
per acre, the land was restored to him and the
entry of Mr. Sage cancelled.

Messrs. Ballachey & Burnet, barristers,
of High River, Alberta, acting on behalf of Mr.
Clarence E. Sage, protested the cancellation of Mr.
Sage's entry.

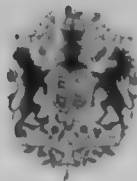

Upon the case being fully submitted to
the Deputy Minister it was decided to confirm the
re-instatement of Mr. Bescoby and accordingly Messrs.
Ballachey & Burnet were advised on the 12th of June
last that as Mr. Sage had been granted entry for
this land under a misapprehension of the facts, the
Department was bound to restore the entry of Mr.
Bescoby.

The Agent of Dominion Lands was forwarded
a list of lands to be reserved for Mr. Sage from
which to make a selection for homestead entry in
lieu of the S. E. 1/4 of Section 9. Mr. Sage did not
take any action in the matter on the advice of his

Under date of the 26th ultimo the Agent
advises that Mr. Sage has not made any selection
from the lands reserved and requests to be advised

these reservations.

As approximately three months have elapsed since the date on which Mr. Sage's lawyers were definitely advised that the cancellation of his entry for the S. Reserved for selection by John Lee.

Mr. Lee's homestead and soldier grant entries for the South half of Section 34, Township 21, Range 4, West of the 5th Meridian having been confirmed, it is no longer necessary to reserve the above described lands for selection by him.

It has, however, been decided to further reserve these lands in order that Mr. Clarence Sage may have an opportunity of inspecting them with a view to deciding whether any of the parcels would suit him as a homestead in lieu of his cancelled entry for the South East quarter of Section 9, Township 20, Range 3, West of the 5th Meridian, which forms a portion of the military homestead of H. Bescoby.

Kindly advise Mr. Sage accordingly at his present address, High River, Alberta.

MEMORANDUM.

E. 9--20--3-W. 5th M.
Military homestead of Henry Bescoby.

Mr. Bescoby was informed that he would be permitted to purchase this half-section at a Homestead Inspector's valuation in lieu of the performance of further settlement duties. A Homestead Inspector's report was called for.

Mr. George H. Clonkey, Inspector of Ranches, in a report dated the 7th instant, sets out that this half-section is worth \$7.00 per acre for grazing purposes only. Mr. Clonkey, however, suggests that Mr. Bescoby should not be called upon to pay more than one-third of this amount, owing to the fact that he lived for some thirty-five years on the S.W. 1/4 9-20-3-W. 5th M.

The records show that Mr. Bescoby lived upon a ranch in the vicinity of his military homestead for a number of years, but under the regulations such residence could not be counted to his advantage in connection with his military homestead.

Under the circumstances, it would seem that Mr. Bescoby should be called upon to pay \$7.00 per acre for the land, but this point is submitted for your consideration and decision.

Respectfully submitted,

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,

I beg to acknowledge the receipt of your letter dated the 18th October last, with respect to the restoration of Mr. Bescoby's entry for the half-section above described, and in this connection to express regret that there has been delay in dealing with this communication owing to the original papers relating to this case having been mislaid.

I may now say for your information that it was only through an oversight that Mr. Bescoby's entry was cancelled and you were notified that the land was available for entry by you, and that under the circumstances it was decided that it would only be justice to Mr. Bescoby to restore his entry and allow him to purchase the land in lieu of the performance of further settlement duties, owing to his advanced age and physical infirmities.

It is regretted that you have been caused any inconvenience in connection with this matter, and the Agent of Dominion Lands at Calgary has been requested to make every effort to find you a suitable location elsewhere, and a copy of this letter is being sent him in order that he may furnish you with a fresh list of lands to select from, if you have been unable to select a homestead to your liking out of the list already sent you.

Sir:-

In the absence of Homestead Inspector Tempamy and in order that the matter may be cleared up without further delay, I am to ask if you will be kind enough to visit the E. $\frac{1}{2}$ 9-20-3 M. 5th Mer. and place a valuation on same.

This half section stands as the South African Scrip entry of Mr. Henry Bescoby, and as Mr. Bescoby is a very old man and suffering from heart trouble and is at the present time residing in Listowel, Ont., the Department has granted him permission to purchase this land in lieu of completing the duties.

At the same time will you kindly furnish a report as to whether or not Mr. Clarence E. Sage of High River is in possession of this land and has effected any improvements thereon, and if so state the value and extent of same. For your information I would state that Mr. Sage applied to cancel the S.E. $\frac{1}{4}$ of this section and Mr. Bescoby's entry was cancelled and Mr. Sage granted entry on the 12th of January last. Immediately after, however, in view of representations made on Mr. Bescoby's behalf, Mr. Sage's entry was cancelled and he was warned not to take possession of the land or effect any improvements. The Department requested this office to assist Mr. Sage in securing another quarter and several quarters in that vicinity are being reserved in order that he might inspect same, and advise if he would consider any of them

Mr. Clarence Sage of Linham, Alberta, is being permitted to select another quarter-section of available Dominion Lands in lieu of the South East quarter of Section 9, Township 20, Range 3, West 5th Meridian for which he at one time held homestead entry. The cancellation of which was necessary owing to an error having been made in cancelling the South African Land Grant of Harry Besooby for the East half of Section 9 aforesaid.

A number of quarter-sections, becoming available, have been reserved by the local Agent at Calgary but it appears that Mr. Sage is not satisfied with any one.

In a recent letter to the Department Mr. Sage states that he has been informed that the Department has under consideration the cancellation of Ranch No. 3270 or at least the elimination therefrom of a portion of Section 1, Township 20, Range 4, West 5th Meridian. Mr. Sage states that he would be prepared to accept a quarter of this section in the event of the report as to the cancellation of the lease being correct.

Sir,

I beg to refer you to your letter of the 2nd September last, (no file number), in which you recommend that Ranch No. 3270, covering Section 1, Township 20, Range 4, West of the 5th Meridian, and held under lease by the P. Burns Ranches, Limited, be cancelled for non-compliance with the Regulations. In this connection, I beg to advise you that in October last Messrs. Savary, Fenerty and Chadwick, Barristers, etc., of Calgary, Alberta, forwarded here assignments of this ranch from the P. Burns Ranches, Limited, the West half of Section 1 in favour of Mr. James McGregor, of Kew, Alberta, and the East half of Section 1 in favour of Mr. John Charles Bird, of Kew, Alberta. The Secretary of the P. Burns Ranches, Limited, also furnished an affidavit that the Company agreed to sell and assign the lease of this ranch to one Seth R. Porter, who has assigned his interest therein to James McGregor and John Charles Bird, and has requested that the lease be assigned to them, the Company now being desirous of assigning the West half of the section to Mr. McGregor, and the East half to Mr. Bird. A statutory declaration was also furnished by Mr. Bird that 20 head of cattle and 12 horses, owned by him, were being maintained on this ranch, while a statutory declaration was received from Mr. McGregor showing that 35 horses owned by him were being maintained on the ranch.

Please be good enough, therefore, to let me have a supplementary report in this matter at your very earliest convenience having reference to the advisability of the Department giving the assignments in favour of Mr. Bird and Mr. McGregor favourable consideration. As stated, this report is required at an early date as possible as the matter is urgent.

Memorandum.

Mr. York,
Controller,
Timber & Grazing Lands Branch.

Sec.1, Tp.20, Rge.4, W.5th Mer.

According to a letter received from the Dominion Lands Agent at Calgary, the above described section is included in a lease.

One, Clarence E. Sage, is desirous of acquiring a quarter of this section as a homestead and in view of certain circumstances in connection with the cancellation of Mr. Sage's entry for the S.E. 1/4 9-20-3-W.5th M., the Department is desirous of meeting his wishes as far as possible.

I take it for granted that as Mr. Sage has applied for a homestead entry covering a portion of this quarter-section, the land wanted is probably suitable for agricultural purposes.

Will you kindly advise me as to the standing of this land and as to whether there is any chance of any portion of this section becoming available for settlement in the near future.

Sec. 1, Tp. 20, Rge. 4, W.5th M.

The missing files relate to a very contentious case, that of Bescoby vs Sage, and the Department is desirous of procuring a homestead for Mr. Sage at the earliest possible moment.

Mr. Sage has applied for homestead entry for a part of the above described Section, but no decision can be given in regard to this until the papers relating to the Section in question have been received.

I asked for these papers for the first time on the 13th ultimo, and for the second time on the 3rd instant, but so far have not received the same.

Will you kindly arrange to either let me have the papers or else advise that there are no files in connection with the Section in question.

Sir,

Re Sec. 1-20-4-W. 5th M.

Referring to your letter dated the 8th November, 1921, reference 58067-95546-58067, setting out that Mr. Clarence E. Sage was desirous of acquiring a portion of the above Section as a homestead in the event of the existing lease being cancelled, I beg to inform you that advice has been received from the Timber and Grazing Lands Branch of this Department that assignments of this ranch, the West half of Section 1, in favour of Mr. James McGregor, of Kew, Alberta, and the East half of Section 1, in favour of Mr. John Charles Bird, of Kew, Alberta, have been received in the Department, together with affidavits from Mr. Bird and Mr. McGregor that thirty-two head of stock and thirty-five head of stock owned by them, respectively, were being maintained on this Section, and that the matter of accepting such assignments is now under consideration but that no decision will be arrived at until a report has been received from the Senior Appraiser of Grazing Lands.

In view of the foregoing it will not be possible for the Department to take steps towards making any portion of Section 1, Township 20, Range 4, West of the 5th Meridian, available for entry at the present time.

Kindly advise Mr. Sage that the land is not available at present but that his request has been noted and that should any portion of this parcel become available for settlement at a later date, his application will be given careful consideration.

Meantime, you should continue to make every effort to procure a suitable location for Mr. Sage.

Your obedient servant,

The Agent of Dominion Lands,
Calgary,
Alberta.

OTTAWA, 21st December, 1922.

MEMORANDUM:

Mr. Hume.

S. 23- 19- 4, W. 5th Mer.
Vacant - Situated in Area "B".

Duncan G. Fraser the former entrant for the above half section, abandoned his entries. The declarations of abandonment were accepted and the Agent instructed to cancel the entries and reserve the half section pending an inspection thereof by a Homestead Appraiser in accordance with the Departmental circular letter of the 1st June, 1922.

The Agent has called attention to the reports furnished by A. Ferguson in March 1922, and in June 1922, which read as follows -

March 1922.

"The S. 23- 19- 4 is situated upon the flats of the Sheep River and is practically covered with burnt over poplar and willow. 15 acres could be broken at a cost of about \$10.00 per acre. The S. 23- 19- 4 lies rather lower than the S. 23- 19- 5 and is much rolling land with a couple of sloughs. The land is covered with burnt over poplar and willow and 15 acres could be broken which would equal 30 acres of ordinary prairie land."

June 1922.

"With reference to your letter of the 2nd ultimo, requesting a supplementary report wishing me to state definitely whether the land is more suitable for grazing purposes than agriculture. I beg to advise you that while 30 acres could be broken upon the half section, I am strongly of the opinion, in view of the locality of this land, that it is more suitable for stock grazing purposes, and would therefore recommend that the entrant be allowed to obtain his patent under the stock regulations of the Dominion Lands Act."

The Agent.....

The Agent asked to be advised whether in view of these reports it is necessary that the half section be again inspected before posting.

The Agent also asks for instructions with regard to the action to be taken on an application to cancel the entry for the S.E. 1/4 23- received by him on the 10th September, 1921, while the entry was under protection.

The records show that the homestead and soldier grant entries for the half section were granted protection from the 27th July, 1921, to the 1st November following, and that the entrant reported to the Agent on the 31st October, 1921, that he intended to immediately go into residence on his homestead and soldier grant.

In view of the entrant's statement of intention and of the failure of the applicant for cancellation to renew his request for the institution of cancellation proceedings, it does not appear that the application to cancel would have any standing, and therefore, the applicant for cancellation would not be entitled to a prior right of re-entry.

Kindly advise whether the information furnished by Inspector W. Tappan (see reports quoted on page one) is sufficient to enable the Department to dispose of the half section.

Mr. H.E. Sage of High River, wishes to secure entry for one of the above quarters and his son, Clarence Sage, wishes to obtain the other quarter section.

Mr. Sage asks for special consideration for himself and son because of their failure to secure the E. 1/4 9-20-3, W. 5th Meridian.

The Messrs. Sage applied for the cancellation of the South African Volunteer Bounty Land Grant entry of Harry Bescooby in March, 1918. The entry was cancelled and the son secured entry for the S.E. 1/4 of Section 9. The son's entry was subsequently cancelled and Mr. Bescooby allowed to acquire the land by purchase in lieu of the performance of residence duties.

It was decided that the son should be afforded every assistance to secure a suitable location but that the father who had not actually secured an entry, could only be allowed to secure a homestead entry in the same manner as any other civilian. In this connection I would ask you to kindly read Departmental letter of the 31st March, 1920, on file 136250-A.

Assuming that the land may be disposed of without a further inspection by a Homestead Appraiser, I would recommend that Mr. Clarence Sage be allowed to secure entry for one quarter section.

I would.....

I would also recommend that the Agent post the other quarter section and notify Mr. E. E. Sage, the unsuccessful applicant for cancellation of the entry for the S.E. 1/4 of Section 23, and all other persons who may have made enquiries respecting the land, of the date upon which it will become available to the first eligible applicant.

Dear Mr. Stewart:-

I am enclosing copy of a letter from

notice he is complaining of treatment which he received
from the Soldiers' Settlement Board and asking for cer-
tain redress. I would be glad if you would take this
matter up with this Department, and see whether it is
possible to meet the request of Mr. Fraser in this mat-
ter.

High River, A.B. 41,

r. Coote:

Dear Sir,

In March, 1915, I enlisted, went to France, was wounded and in hospital for 13 months, was sent back to Canada and in July, 1915, I was discharged from the army. In February 1919, I took up a homestead and soldier's grant A.B. 4, sec. 23, Tp. 19, Range 5 West of the 3rd. I built a cabin and fenced 112 section mentioned. However, in October, 1922, I wanted to buy 240 acres of land from J.D. McInnes under the A.B. and up lines for a loan of \$5,000.00. The A.B. said I would have to abandon my A.B. and A.B. and pay 10% deposit of the \$5,000.00 before they could consider my loan and that they would let me know within 30 days, provided there was not too much snow for inspection. In October 1922, the Inspector came and passed land A.B. They never sent me any more word until January 18th, 1923, when they posted a letter saying that the land I wanted would not be passed by the Board. In Jan. 1923, another inspector came and looked at the land and it was he who quered the deal.

They say the land or the piece I want is too far from the railroad and r. Coote, I can show you the other people who have land under the A.B. two or three miles west of me. Yes! In January 1923, my former A.B. and A.B. were thrown open for filing and I cannot get back my filing rights till after my papers go to Ottawa.

The A.B. did not keep to their word with me. They sent me to go up north of Calgary and take up land that other settlers have thrown back on their hands. Now, you know, r. Coote, that is not justice and I wish you would intercede for me. Would you let me know if there would be any chance of getting my former A.B. and A.B. back or if by application, I could get another half-section opened. If possible, I would much prefer having my former homestead and settlers grant back. It is a civilian who now has it.

Re: Duncan Graham Fraser, Reg. #325210,
E. 1/2 of the S. 1/2 of 18-18-2 W. 5th
E. 1/2 of the S. 1/2 of 18-18-2 W. 5th
S. 1/2 of the S. 1/2 of 18-18-2 W. 5th

I am in receipt of your telegram dated February 2nd by first, in which you request a full report on D. G. Fraser's application.

He called at this office on October 24, 1922, and submitted an application to purchase the above described land, the price asked being \$5000.00, and he paid \$1000.00 initial deposit in cash. The vendor is Mr. J. J. Rooney, and is applicant's father-in-law.

Mr. Fraser stated on his application form that he had filed on a Homestead and Soldier Grant, being the S. 1/2 of 18-19-4 W 5. This was brought to the attention of the Loan Secretary and applicant was told that before a loan was approved to purchase land, it would be necessary for him to abandon his Soldier Grant. At the same time he was warned not to take any action in this regard until it was seen whether the Board was prepared to purchase the land he was now applying for. He was told that this property would be inspected and that he would be notified whether the Board would buy it or not.

He stated, however, that he intended to abandon his Dominion Lands in any event and that this was partly his reason in coming to Calgary, as he did not intend to go on paying taxes on this half section. He actually did abandon these lands on the 24th of October, and returned to this office and handed in his Declaration of Abandonment Forms. This action was contrary to the advice received in this office.

His application was acknowledged by letter on the 3rd October. The land was inspected by Mr. MacGillivray on the 1st of November. The matter of purchase was considered by the Loan Committee on December 11, 1922, and it was referred until a report could be submitted by Mr. Stronach. Mr. Stronach inspected the land on January 11th. The matter was again considered by the Loan Committee and declined on January 16th.

The applicant was notified of the Committee's decision on January 18th. He came to the office on January 20th and interviewed the Supervisor of Adjustments, Mr. Burrell, and after the interview, Mr. Burrell placed a memo on file.

From this memo, it would appear that applicant thoroughly understood the situation and left the office quite satisfied.

On the 23rd of January he wrote requesting that his initial deposit of \$200.00 be returned; this was done on January 24th.

The loan was declined for the reason that the land was considered unsuitable - the price was excessive - it was a family deal, and the vendor was retaining for himself the best part of the property including buildings.

I am attaching hereto copy of application, also copies of Mr. McTeggart's and Mr. Stronach's reports, acknowledgment of his application, Mr. Burrell's Memo., the letter declining his loan, and C. S. R. Form 22B.

Ottawa, 6th March, 1923.

Dear Mr. Coote,

I duly received your letter of the 13th ultimo, covering copy of a communication from Mr. Duncan C. Fraser of High River, Alberta, (A.R.No. 1), complaining of treatment which he received from the Soldier Settlement Board. I have held over the reply in this case for a few days in order to enable the Board to obtain a statement from their District Superintendent at Calgary, which has now come to hand.

It appears from the statement submitted to me by the Board that Mr. Fraser applied to the District Office for assistance in the purchase of land but was told that he was not eligible under the Act for such assistance, being the holder of a soldier grant entry and also holding a half section of land. Mr. Fraser was advised that before a loan could be approved it would be necessary for him to abandon his soldier grant, but at the same time he was warned not to do this until the Board could inspect the property he desired.

Mr. Fraser stated, however, that he intended to abandon his entries in any event as he did not intend to continue paying taxes on his half section. He did abandon the lands in October last, contrary to the advice given him by the District Office.

The abandonments in due course were accepted by the Department of the Interior, the lands were posted and both quarter sections have been taken up by other settlers.

In

C. C. Coote, Esq., M.P.,
House of Commons,
Ottawa.

In the meantime, the Board inspected the land which Mr. Fraser wanted to buy, but declined to purchase it for him. Not only was the land considered unsuitable but the price was excessive. It was a family deal (the vendor being Mr. Fraser's father-in-law) and the vendor was retaining for himself the best part of the property, including the buildings.

From the District Superintendent's report it appears that no promise was made to Mr. Fraser that this particular parcel of land would be purchased for him, but on the contrary he was urged not to abandon his entries until the Board could inspect.

Mr. Fraser now wants to get back his homestead and soldier grant, but we cannot take these quarters away from the parties who have now secured entries. On the 10th November last, Mr. Fraser was furnished with Departmental Authority to take up a new homestead and soldier grant in lieu of the two quarter sections he had abandoned. All we can do now is to instruct the local Agent to do what he can to assist Mr. Fraser in securing a new location. We will also have the Agent secure an Inspector's report at the earliest possible date, valuing the improvements on Mr. Fraser's abandoned homestead, with the object of refunding to him the amount of such valuation as soon as possible.

If Mr. Fraser prefers to buy land through the Board, it is open to him to make another selection and submit his application in the ordinary way so that the Board may consider the same.

Yours faithfully.

Cancelled Homestead & Soldier Grant of
Duncan G. Fraser.
Your files 95657-95658.

This settler applied to have the
Soldier Settlement Board assist him in the purchase
of other land and he claims to have relinquished his
homestead and Soldier Grant on the understanding
that the Board would be prepared to favourably
consider his application for assistance towards
making the desired purchase. His application to the
Board was refused, but in the meantime other disposition
had been made of his homestead and Soldier Grant so
that his application to have his entries restored
could not be considered. Mr. Fraser has been given
authority to take up another homestead and Soldier
Grant and in view of the circumstances of this case,
you are instructed to do everything in your power,
consistent with the regulations, towards assisting
Mr. Fraser in securing a new location.

You are requested also to expedite the
Inspector's valuation of the improvements on the above
land.

Your obedient servant,

Assistant Secretary.

MEMORANDUM:

Ottawa, 30th August, 1928.

Mr. Cory.

Re - S.W. 1/4 10-50-2-W.5.M.
Patented Hd. - Carl Martin Gilbert
(deceased).

The original papers relating to this land were forwarded to Mr. R. B. Matheson on the 4th April last, with instructions that the Law Firm of Messrs. McDonald, Weaver and Steer of Edmonton might peruse the papers in the Assistant Commissioner's Office, the file not to leave his possession.

In reply to Mr. Matheson's telegram of the 12th May, he was advised that certified copies of certain of these papers might be filed in Court. Immediately hereunder is a further message from Mr. Matheson, advising that the Solicitors insist he hand certified copies to them.

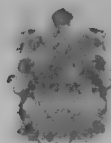

In this connection I may say it would be contrary to the practice to accede to the request of the Solicitors and I am of the opinion it might create a bad precedent. However, the matter is submitted for your consideration and decision.

Mr. Matheson points out the situation is somewhat strained and I would be pleased if you would let me have an early reply.

Acting Commissioner.

any papers from the file.*

Memorandum.-

Mr. Martin.

I think you might advise Mr. Matheson that he has taken entirely the correct stand in this matter, but that if he is convinced of the bona fides of the request and of the necessity for it, the Department will not object to his giving the certified copies to the Solicitors, provided they file a written application therefor explaining the reasons which in their opinion make the request necessary.

Deputy Minister.

Sir:—

I have to inform you that a patent for 1/2 of Section 26 in Township 31 Range 2 West of the 4th Meridian bearing date the 2nd April, 1900, has issued in your name, and that it has been forwarded to the Register of the Land Registration District of North who will issue the certificate of title upon receipt of your application to him therefor, and upon payment of the proper fees, if any.

I am, Sir,

To John B. Clark, Esq.
Kitchener,

21st October, 1922.

Dear Major Barnett,

I am enclosing a communication received from the Deputy Minister of Justice, together with Petition of Right of James L. Miller.

Mr. Lawcombe wishes to be furnished with a short statement of the facts of the case, together with such information and papers as will enable the Minister of Justice to decide whether or not he should recommend the granting of a fiat upon the Petition.

This would seem to be a matter for the consideration of the Board, inasmuch as the North West quarter of Section 20, and the North half of the South East quarter of the same section, Township 50, Range 2, West of the 3rd Meridian, passed from the control of the Crown in the year 1909.

Enclosure.

Yours very truly,

Major John Barnett,
Chairman,
Soldier Settlement Board,
Ottawa.

Deputy Minister.

21st October, 1922.

Dear Mr. Newcombe,

I have your letter of the 18th instant, enclosing the Petition of Right of James M. Miller, with a request for a short statement of the facts of the case, and in reply may say that your correspondence is being referred to Major John Barnett, Chairman of the Soldier Settlement Board, as this would seem to be a matter coming within the purview of the Board, inasmuch as the lands passed from the control of this Department in the year 1909.

Yours very truly,

Deputy Minister.

Question - Disposition of land.

According to the Land Patents Branch, and the records of the A. D. L., Calgary, the above land is reserved for police requirements. The records of the other Branches of the Department show the land as clear. Upon inquiry, the Comptroller of the R. N. W. M. P. states that this reservation is not now required for police purposes.

As the Township is well settled it may be assumed that the Official Plan has been sent to the Agent, and I would suggest that the Agent be instructed to make the land available for entry, if aware of no reason to the contrary.

It might be noted that the land is within 15 miles of a Railway.

Mr. Harbo.

Question - Disposition of land.

Please refer to the memorandum of the
2nd September last received under no. to Mr. Harbo's
instructions to get a Harbo's Inspector's report
on the valuation of the land.

Harbo's Inspector Harbo states
as follows in his report of the 11th March:

"Area fit for cultivation all acres.
"Pasture 14 acres.
"General remarks.
"This land is very sandy and not fit
for cultivation.

"The log building formerly used by
the Mounted Police was disposed of by
them to Messrs. Rogers who made use of
it for hay and stored until about
two years ago. Since then it has not
been used and is now being partly
removed.

"The land has been used up by
Mr. Rogers for raising horses for
the last three years. He values the
adjoining land under lease and his
horse includes this quarter section.
"I would value the land at eight or
"dollars per acre."

As this quarter section is clear
according to reports from the various branches I
recommend that it be made available for settlement
under the regulations.

DOMINION LANDS OFFICE

Posting of Soldier Settlement Land.

APR 1 1912

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 11th day of April 1912, the 1/4 of Section 30

Township 36 Range 5 West of the 3rd Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:

ON THE DAY LAST ABOVE MENTIONED the privilege of entry (either as an ordinary homestead or as a soldier grant) is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full on the back of this notice.

ON THE SUCCESSFUL DAY, namely the 11th day of April 1912, and thereafter (unless entered for or reserved for an adjoining "settler") the land will be available:

(a) for entry as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty, or who has been honourably discharged therefrom. Men belonging to or discharged from the Armed Forces cannot homestead on the land reserved for soldiers unless they were British Subjects, resident in Canada before the war and have not exhausted their homestead right.

(b) for entry as an ordinary homestead by a "Settler" as defined below, provided he is eligible to make homestead entry.

(c) for entry as a soldier grant by a "Settler" as defined below.

"Settler" means:
1. Any person who has served in the military or naval forces of His Majesty during the present war and who has left the forces with an honourable record of service.
2. Any person who has served in the military or naval forces of His Majesty during the present war and who has left the forces with an honourable record of service, and who has been granted a pension or gratuity by the Government of Canada.
3. Any person who has served in the military or naval forces of His Majesty during the present war and who has left the forces with an honourable record of service, and who has been granted a pension or gratuity by the Government of Canada, and who has been granted a pension or gratuity by the Government of Canada.
4. The widow of a person who has served in the military or naval forces of His Majesty during the present war and who has left the forces with an honourable record of service, and who has been granted a pension or gratuity by the Government of Canada.
5. Any person who has served in the military or naval forces of His Majesty during the present war and who has left the forces with an honourable record of service, and who has been granted a pension or gratuity by the Government of Canada, and who has been granted a pension or gratuity by the Government of Canada.

Applicants for soldier grant entry must produce, when applying for entry, certificate of attestation or telegram or special letter from the Soldier Settlement Board.

Applicants for homestead entry must produce evidence of honourable discharge, or if still on military service, must furnish particulars of enlistment.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry, unless made by proxy, may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Proxy entry must be made at the office of the Agent or Sub-Agent. For proxy regulations see Dominion Lands Handbook.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10. According to evidence on file in this office there are improvements upon the land stated to be worth \$

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry or reservation, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant for the same right of entry under the preceding section, the priority of their claims shall be determined by the date of their prospective completion of settlement in accordance with the order of settlement before entry.

34. In cases where consideration being given to the respective persons claiming priority, the Agent shall take account of all applications for entry offered under the preceding section, and shall not refuse to do so, but shall consider the same in such land until the close of business hours of the day on which the prior right of entry is considered, and the morning of the following day.

Provided that the Agent is advised by wire or otherwise on such day by a Sub-Agent or local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the same land, and it is evident from the records that such person has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such time as is made before the Sub-Agent or local representative has been received.

Provided also that in the event of an applicant for entry reason shown to the Agent or Sub-Agent who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land in question for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of an applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which after having been posted in accordance with the preceding section, has not been entered by an adjoining settler on the first day on which such land becomes available for entry, or if it has not been entered on any of the reasons above mentioned, shall be open to entry on the following day to any settler eligible to settlement under these regulations.

Dear Sir:

RE: N.W. 12-57-17-W.4th M.

Your Ref.-13581-38.

With reference to your letter of December 2nd to Mr. E. H. Yowalchuk, 214 Ingon, Alberta, copy of which you forwarded to this office, I may say that Mrs. Mary Shymko received patent for the N.W. 12-57-17-W. 4th M., as personal representative of her husband the late Teodor Shymko.

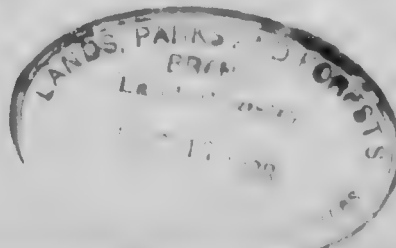

When Mr. Shymko filed on this land on June 7th, 1938, he stated that he was of Austrian nationality, from Bocovina, Austria. He died on May 24th, 1916, and his widow furnished certified copy of Letters of Administration of her late husband's estate.

According to evidence on file Mrs. Shymko furnished a Certificate of Naturalization in which her name appears to have been spelled Maria Shymko. The date of the Certificate is not recorded, but in the application for patent she stated that she was naturalized in December, 1900. The document was returned August 26th, 1937, to Mrs. Shymko, Hanka P.O., Alberta.

farmer, of Hunka, Alberta, of former Austrian nationality, was naturalized through the Supreme Court, Edmonton, Alta, on the 16th March, 1904. This is the only record on file which agrees in any way with the statements given in Mr. Turner's letter of the 14th December. If Mrs. Mary Shymko can be identified as the widow of Theodore Shanka, who was naturalized on the 16th March, 1904, she is deemed to be a British subject by her husband's naturalization.

Your Ref.-13581-38.

With reference to your letter of December 2nd

which was forwarded to this office, I may say that Mrs.
Mary Shymko received patent for the N.W. 12-57-17-W.

late Teodor Shymko.

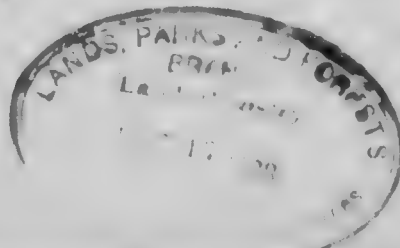

When Mr. Shymko filed on this land on June

ality, from Baczovina, Austria. He died on May 24th,
1938, and his widow furnished certified copy of letters
of administration of her late husband's estate.

According to evidence on file Mrs. Shymko
furnished a Certificate of Naturalization in which her
name appears to have been spelled Maria Shymko. The
date of the Certificate is not recorded, but in the
application for patent she stated that she was naturalized
in December, 1900. The document was returned August 26th,
1938 to Mrs. Shymko, Hanka P.O., Alberta.

This is the only record on file which agrees in any way with the statements given in Mr. Turner's letter of the 14th December. If Mrs. Mary Shynko can be identified as the widow of Theodore Shanka, who was naturalized on the 16th March, 1904, she is deemed to be a British subject by her husband's naturalization.
